

The collage consists of 12 individual photographs of children, arranged in a 3x4 grid. Each child is holding a piece of white paper with their poem written on it. The children are dressed in school uniforms, which include dark blue sweaters over white collared shirts. They are standing in front of large windows that look out onto a green, leafy landscape. The poems are written in various styles of handwriting, and some include small drawings or additional text like 'Mrs. Smith' or 'Mrs. Jones'.

Dear World Leaders

You are wondering how  
 you can help, well all  
 you need to do is:  
 Switch of lights.  
 Pick up your litter.  
 Don't waste good old paper.  
 Have less longer showers.  
 Don't use paper to  
 stop cutting down trees!

[illegible]

An aerial photograph showing a large group of people, mostly wearing white shirts, standing on a dark asphalt street. They are arranged in two large, stylized letters: a 'B' on the left and an 'A' on the right. The people are positioned in a way that their collective form creates the shape of the letters. In the background, there is a building with a corrugated metal roof and a grassy area. The shadows of the people are cast onto the street, indicating a low sun position.
