

Keep Scotland Beautiful is your charity for Scotland's environment.  
We work with you to help combat climate change, tackle litter and  
waste, restore nature and biodiversity and improve places.

I can ask adults to look  
after forests

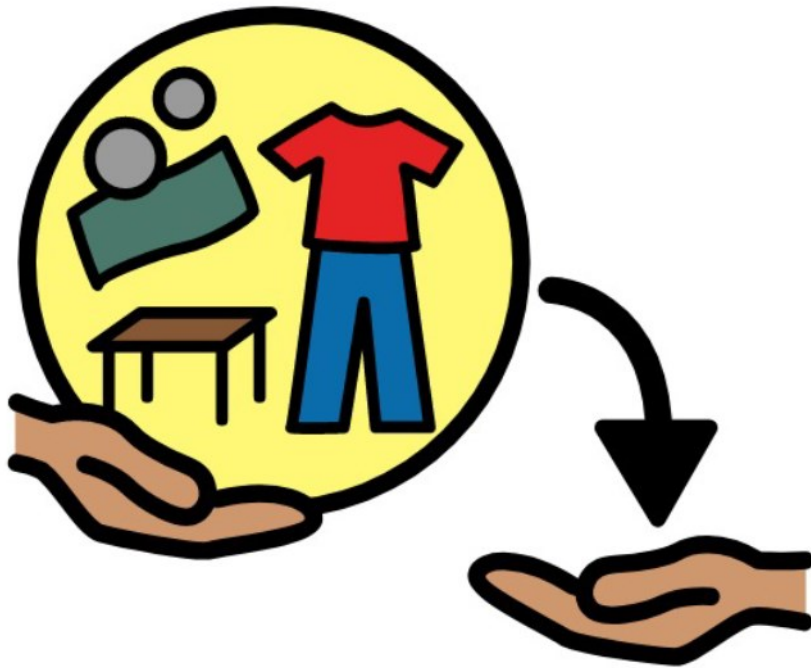

# Learning about Forests

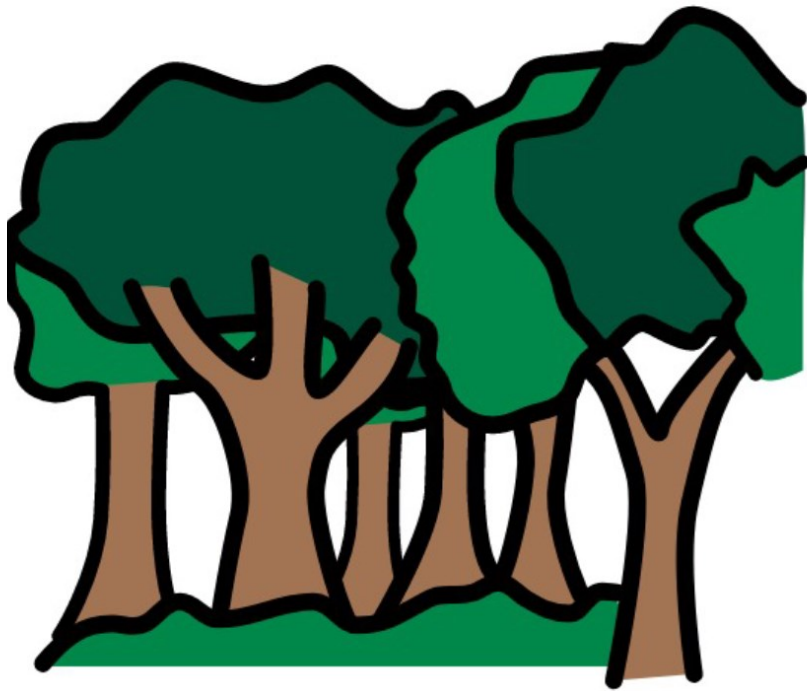

LEAF

I can support charities  
that look after forests

We live on a planet  
called Earth

I can plant trees to  
make new forests

There are lots of  
forests on Earth

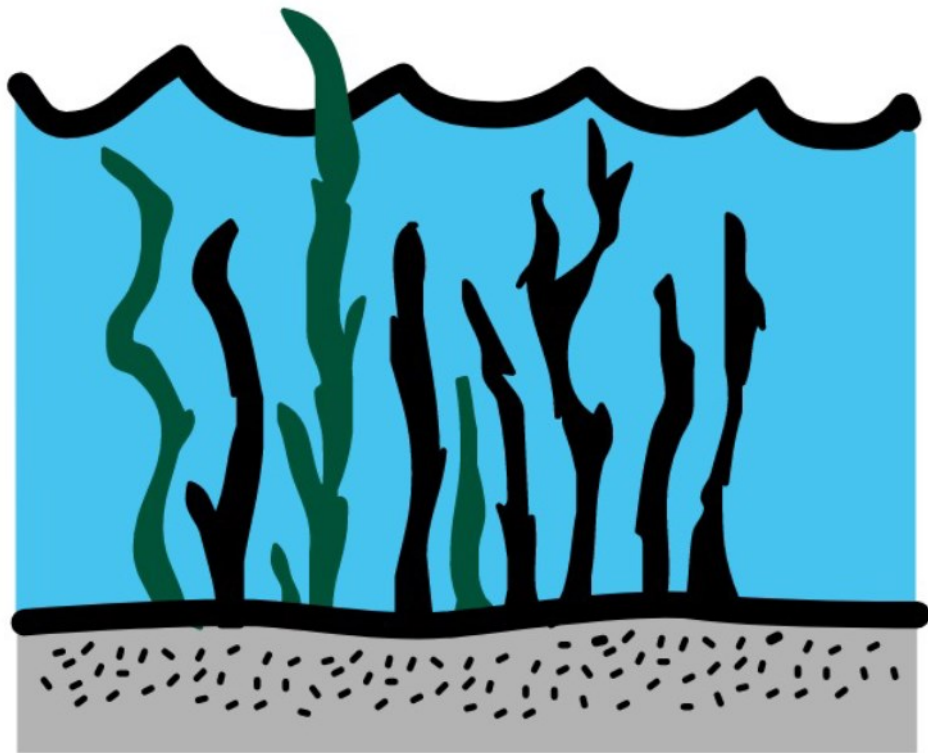

I can visit forests and  
learn about them

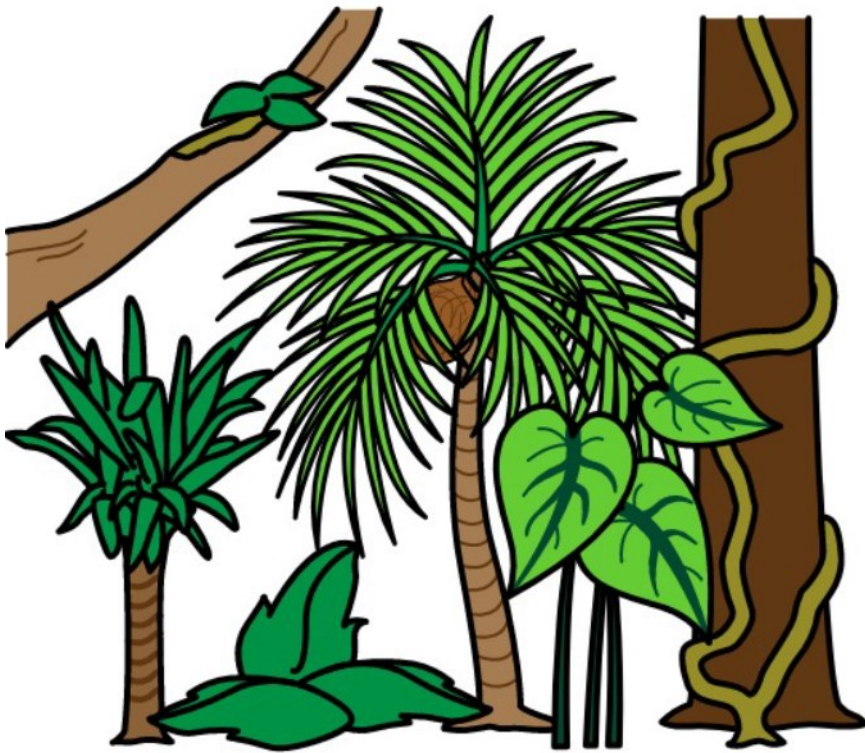

There are forests on  
the land

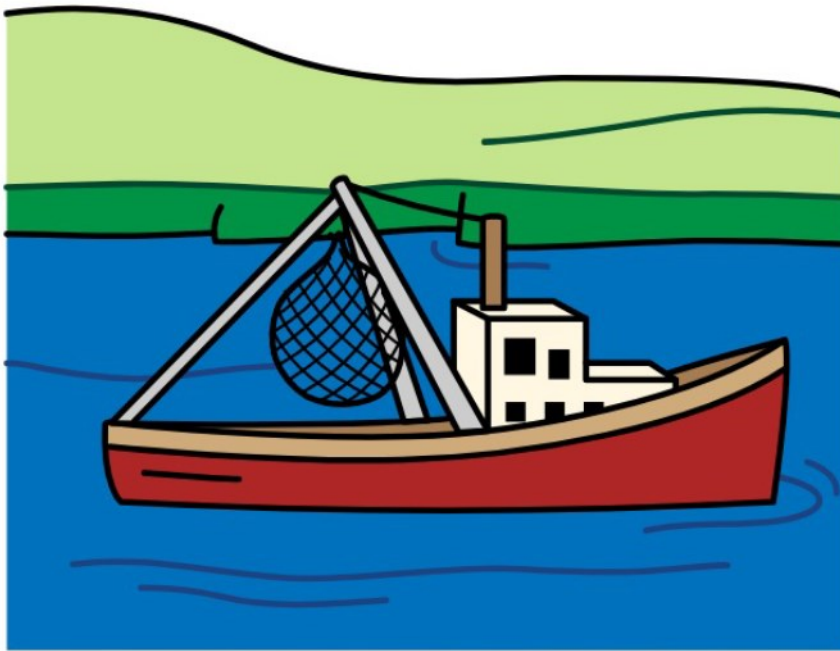

I can help forests

There are forests  
underwater

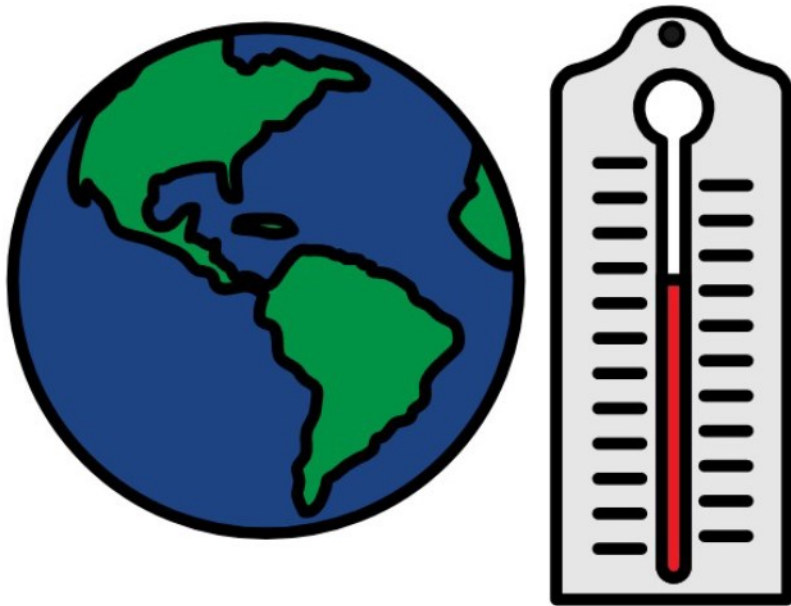

Fishing can damage  
underwater forests

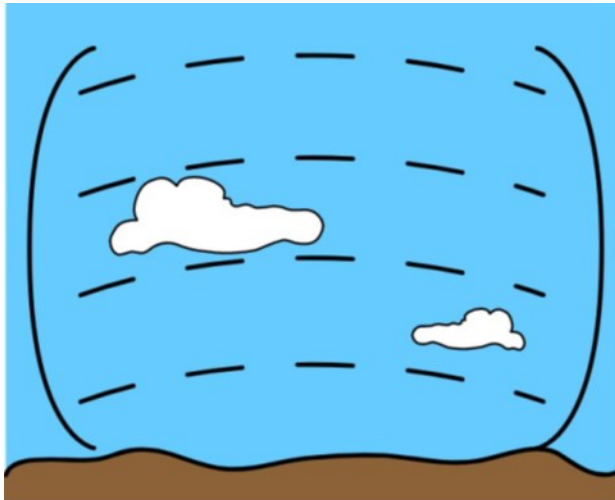

Forests are important

Changes in our  
weather are damaging  
trees

They are homes for  
many animals and  
plants

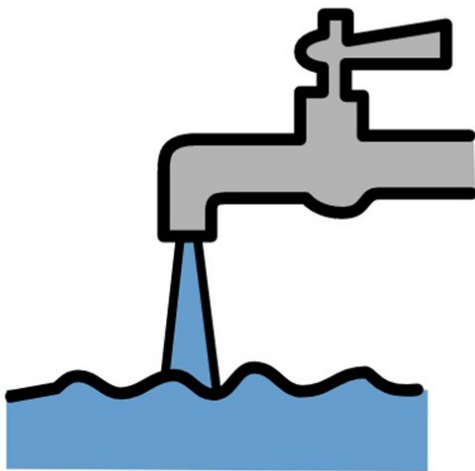

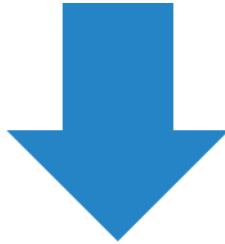

People are cutting  
down too many trees

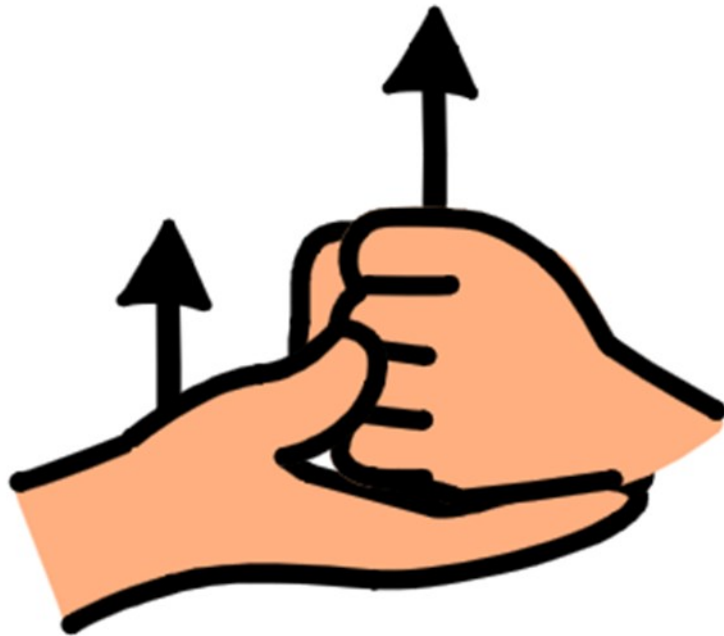

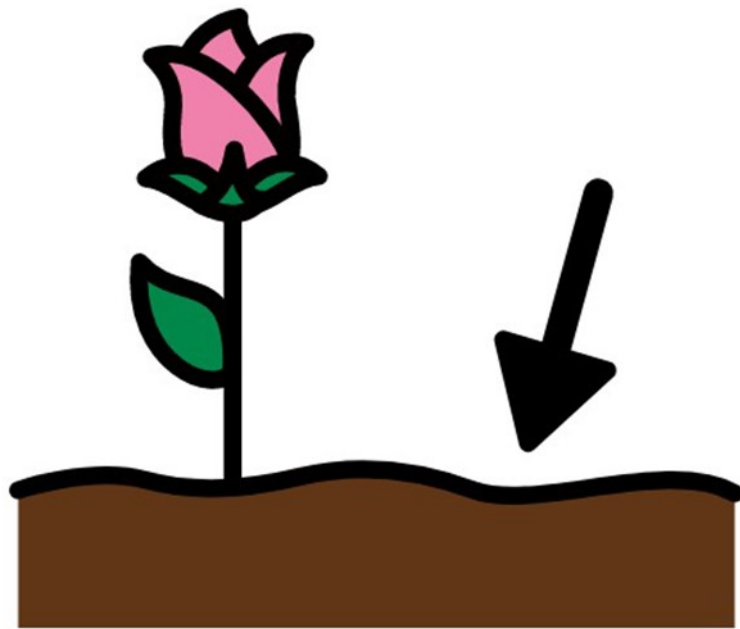

They help clean our air

Forests need our help

They help clean our  
water

They help hold soil in place
