

FOOD & DRINK SECTOR

FOOD WASTE CHALLENGE

Created by Zero Waste Scotland, this one-month Food Waste Challenge is designed especially for organisations across the food and drink sector who are keen to make a difference to the planet whilst cutting costs and saving money at a time of great uncertainty in the industry.

Best of all - it's free to take part and gives access to industry support.

Based in Lochaber? **Contact lesley@lochaberenviron.org.uk**
Rest of Highlands? **Contact reina@highlandgoodfood.scot**

What's included?

1. Food Waste Toolkit
2. On-hand support from industry professionals
3. Certificate to showcase your achievement
4. Access to future opportunities through Highland Community Waste Partnership

How does The Challenge work?

- Assess your current food waste data
- Measure your food waste
- Analyse and share findings
- Develop an action plan
- Starting saving money with less food waste!
