

# Bothwell and Uddingston Clean Up Event

23 and 24 June 2014

Gathered outside Uddingston Grammar School ready for the Clean Up to begin.

Brighter Bothwell and Uddingston Pride are two Beautiful Scotland groups from adjacent communities. We agreed to run a Clean Up event which could benefit both communities and would involve pupils from Uddingston Grammar School, one of our local secondary schools.

Given that the Commonwealth Games are due to start in July, we thought that we could carry out a special clean of our areas, which are close to Commonwealth Games venues. Also, Uddingston Sports and Cricket Club will have a campsite for around 700 visitors and volunteers during the Games. We wanted our areas to be looking good!

The event was organised as part of the Clean Up Scotland campaign for 2014.

Uddingston

PART OF THE  
Keep Scotland Beautiful  
CHARITY

Uddingston Grammar School has a commitment to work in partnership with its community. Having been briefed by Brighter Bothwell and Uddingston Pride, the senior pupils involved worked with their peers to help organise the event.

All pupils who took part received a certificate of thanks for their efforts.

**Everyone had fun!**

Setting off with litter pickers and refuse bags.

Thank you for taking part in the  
Clean Up Events in  
Bothwell and Uddingston  
on 23 and 24 June 2014.

By taking part in this activity for the  
benefit of your local community, you  
have shown the attributes of a  
responsible citizen.

We hope that you also had fun!

## Day two of the event — Clean Up Bothwell.

The young people of Uddingston Grammar School did a great job, organising and carrying out the Clean Up. They were a credit to the school. **“When are you having another litter pick?”** was one response! We will be delighted to work with these young people on other occasions.

Setting off along the Main Street.

Our lovely wild orchids were seen by those cleaning up along Bothwell Nature Trail.

**A successful event.**

**Many thanks to all who were involved.**
