Corporate Clean Ups

Keep Scotland Beautiful's vision is for a clean, green, sustainable Scotland.

Our mission is to inspire changes in behaviour to improve our environment, the quality of people's lives, their wellbeing and the places that they care for.

We want to keep Scotland beautiful and we'd love you to help us.

Clean Up Scotland

Scotland is beautiful. But we can't take it for granted.

Clean Up Scotland is our national programme to build community pride and make Scotland clean for future generations. From its inception, Clean Up Scotland has focused on supporting local communities, businesses, and organisations to encourage practical, local action to change behaviours and improve the standard of local environmental quality.

Working across all sectors to support community litter picking that not only improves places but also encourages responsible behaviours is an important part of Clean Up Scotland. Now is a great time for businesses across Scotland to demonstrate their commitment to their local community, by taking practical action, demonstrating their commitment to being a 'good neighbour' and improving local environmental quality.

What we will deliver:

Event planning and preparation

Keep Scotland Beautiful will work with local authorities and key partners to identify sites in the areas specified by the client.

The team will ensure all relevant safety equipment is ready for use during the event by volunteers and that an uplift of collected items is arranged.

Keep Scotland Beautiful will conduct a risk assessment for each event and provide public liability insurance.

A brief of the event will be sent to the client ahead of the date along with requirements to volunteers.

Event management

On the day of the event, our team will arrive at the sites ready to greet participants and then go through a health and safety brief with volunteers.

Our team will remain at sites for the duration of the events to ensure smooth running and safety of participants.

We can assist with any media and public enquiries on the day.
