Meta skills – Initiative, Collaborating, Creativity

Roadside litter presentation

Download the PowerPoint presentation by clicking on the link: [Roadside Litter Presentation](#). Notes are provided with each slide to give more information and suggest points for discussion.

Caption art

Download our [Caption Art Sheet](#) and invite pupils to use what they have learned about roadside litter to design an artistic caption to encourage others to not drop litter on the roadside.

Roadside litter eye spy

Pupils can use the [Roadside Litter Eye Spy Sheet](#) for home learning by spotting items of roadside litter when they are travelling.
