

50th celebrations – North Berwick in Bloom

www.keepsitandbeautiful.org/eastlothian

NBIB working with our gardening colleagues in East Lothian Council made the 50th the theme of the carpet bed in 2016. Each year this bed in the Lodge, our public park, celebrates an organization that contributes to the local community. Using sand or gravel reduces the number of bedding plants needed.

At Gardening Scotland NBIB used the 50th and the three pillars as the theme for their gold medal pallet garden. This then went on display in the town's High Street for the summer.
