Beautiful Scotland Awards celebrate Perth and Kinross successes

National awards ceremony recognises Perth and Kinross' environmental efforts

Community groups, local authorities and businesses from all across Scotland, gathered in Dunfermline yesterday (Thursday 7 September) to celebrate the annual Beautiful Scotland Awards, organised by environmental charity, Keep Scotland Beautiful.

The ceremony, hosted by Fife Council, recognised the work undertaken in communities throughout Scotland to help deliver environmental improvements in their local area - including the efforts of seven Perth and Kinross groups.

Amongst the Perth and Kinross groups to receive an award, Beautiful Perth came out in first place in the Large Town category and Kinnesswood in Bloom placed first in the Small Village category.

The Perth and Kinross winners were:

- **Beautiful Perth** - Gold medal certificate, Large Town Category Award Winner
- **Brig in Bloom** - Gold
- **Comrie in Colour** - Gold
- **Crichton Lang Court Residents Group** - Silver
- **Dunkeld and Birnam in Bloom** - Silver Gilt
- **Kinnesswood in Bloom** - Silver Gilt, Small Village Category Award Winner

- **Muthill in Bloom** - Silver Gilt

The Beautiful Scotland competition, which is run in partnership with the Royal Horticultural Society (RHS), brings communities together to help clean up and beautify the places that matter to them - and recognises the efforts of volunteers across Scotland as they work to enhance their own community.

Thirteen category winners, with 11 additional Discretionary Awards and the overall Rosebowl Award, were presented at the ceremony. All entries were assessed against the three core pillars of the Beautiful Scotland campaign - Horticultural Achievement; Environmental Responsibility and Community Participation.

The event, which brought over 250 delegates from across Scotland together in Dunfermline to receive their awards, saw Depute Provost of Fife, Councillor Julie Ford, present 25 accolades - recognising the high number of entrants into the competition.

Carole Noble, Operations Director of Keep Scotland Beautiful, commented:

“Beautiful Scotland provides the opportunity for Scotland to celebrate the outstanding achievements of volunteer groups across the country and recognises the significant contribution they make in helping to improve our local environmental quality.

“Perth and Kinross volunteers and council employees have worked tirelessly to ensure that the local spaces and places that they treasure are maintained to excellent standards. I would like to commend them on their efforts.

“In 2017 the campaign in Scotland reaches its 51st year. Keep Scotland Beautiful is delighted to, once again, celebrate and reward the dedication and achievements of the committed volunteers who create places that are good for our health, wealth and happiness.”

Beautiful Scotland is managed by Keep Scotland Beautiful, a member of the RHS Bloom Federation. Entrants are judged by a team of expert volunteer judges on their

year-round achievements. Awards are presented to a range of local authorities and communities who have achieved the highest scores in their categories, with Discretionary Awards given to those who demonstrate excellence in their commitment to the campaign. Some of the winners will go on to represent Scotland in RHS Britain in Bloom in 2017.
