What would a beautiful Scotland look like to YOU?

As part of Scotland's Year of Young People, we're asking young people what they think a beautiful Scotland would look like in 2030.

In 2015, world leaders agreed to 17 [Sustainable Development Goals](#) for a better world by 2030. These goals have the power to end poverty, fight inequality and stop climate change.

What problems might these goals solve by then? How could you help?

Send in a video clip telling us what you think a beautiful Scotland would look like in 2030.

How to share your thoughts:

- Open to all young people up to age 26
- Entries welcome at any time during the Year of Young People 2018
- Video should be a maximum of 30 seconds in length
- Email your video to info@keepsotlandbeautiful.org
