STIRLING | 2 DAYS | 8 & 9 AUGUST 2018

Delivered by

learning to change the world

PROGRAMME OVERVIEW

Social enterprises offer great opportunities in making a real difference when engaging our communities and creating sustainable social impact.

Exploring Social Enterprise is a practical and engaging event where groups will come together for networking and training. You will be able to share your existing experiences and aspirations for income generation through social enterprise.

This one-day programme will introduce you to the social enterprise concept, and its characteristics and structures. It will explore how this dynamic business model can potentially provide long-term sustainable solutions within your organisation or projects

DURING THIS PROGRAMME YOU WILL:

- Deepen your understanding of the key concepts of social enterprise
- Learn a range of vital tools and skills to help you build a sustainable and thriving social enterprise
- Be in a position to create a dynamic action plan for your social enterprise
- Learn collaboratively with individuals and organisations at a similar stage of development

COST

With the support and funding of our partner organisations, Keep Scotland Beautiful and Scottish Government, this programme is fully funded and available at no cost to learners.

LEARNERS

We are delighted that the Social Enterprise Academy is delivering this event on behalf of Keep Scotland Beautiful as part of the Community Action Support programme for the Climate Challenge Fund.

The event is provided so that you can learn more about social enterprise and the opportunities it has for your organisation. It may help you in your plans towards longer term legacy and being able to continue your climate related work beyond the end of the CCF grant.
