

Renewing Your Green Flag Award

Tip:

During this time you should set-up your new Eco-Committee, do your Environmental Review, choose your Global Goal, and decide your Draft Action Plan that will cover 2 years.

2. Submit Draft Action Plan

3. Now you need to wait for our feedback before moving on. This can take up to 3 weeks

4. If amends are needed, update your Action Plan and submit again

5. Action Plan approved. Go ahead and start work on your actions

Tip:

Remember to make links to the Curriculum, involve your Community, gather Measuring results, and design your Eco-Code while you are implementing your Action Plan.

Tip:

From this point you will have 3 school months to submit your Action Plan.

1. Click "Start New Journey"

6. Submit application

9. Start your renewal journey straight away

Green Flag Renewed

8. If amends are needed, update your application and submit again

7. Now you need to wait for your assessment. This can take up to 3 weeks
