Bonnie Blantyre & pals

There is an array of wonderful voluntary groups and resources in Blantyre such as TACT Healthy Park, Friends of the Calder, Blantyre Community Council, Blantyre Community Committee, Blantyre Telegraph, Blantyre Heritage Group and the Blantyre Project. We cannot forget the role of our local businesses, community police, schools and Council are also key partners in all that we do. You can find out more about the community groups and resources mentioned by viewing our 2019 Beautiful Scotland portfolio on our stand.

British Dragonfly Society

The British Dragonfly Society (BDS) was founded in 1983 by a small group of dragonfly enthusiasts and scientists. The Society has three main aims: to carry out and support research on dragonflies, to conserve dragonflies and to engage the public with dragonflies and their wetland habitats.

Crowdfunder Scotland

We're in Scotland helping to make great ideas happen through a combination of expert crowdfunding coaching, events and grants. Crowdfunder Scotland is funded by LEADER and have coaches based within 9 rural areas of Scotland to help projects to create their own unique Crowdfunding page and raise the money for their project.

Inch View Community Gardeners

Inch View is a purpose-built care home for older people. A Community Gardening project was started soon after it opened in 2011. The project involves students from schools nearby in Gilmerton. The partnership has developed a sense of community, belonging and well-being for residents and their families as well as a stimulating out of school activity for the students. Come and talk to us!

Keep Scotland Beautiful

Keep Scotland Beautiful is the charity that campaigns, acts and educates on a range of local, national and global environmental issues to change behaviour and improve the quality of people's lives and the places they care for. We are committed to making Scotland clean, green and more sustainable.

Lauder in Bloom

Come and visit the Lauder in Bloom stand and find out more about our low-budget community transformation of an unloved eyesore into a pollinators paradise and find out about the many other projects we are currently involved with including our Juniors & Seniors Club, our Garden Helpers Service and Waste Aware Lauderdale.

Email – LauderInBloom@gmail.com and find us on Facebook 'Lauder in Bloom' as well as our 'Waste Aware Lauderdale' project.

NHS Health Scotland

The Place Standard tool lets communities, public agencies, voluntary groups and others find those aspects of a place that need to be targeted to improve people's health, wellbeing and quality of life. Visit our stand to hear more about how place affects health and wellbeing and how you can use the Place Standard to assess the quality of your place.

North Berwick in Bloom (NBiB)

This year's Beautiful Scotland Premier Award winner and winner of the discretionary award for Community Horticulture. The group has been busy planting beds, baskets and planters for over 20 years and now works with many community groups in North Berwick to make the town look beautiful. Other projects help to tidy litter, look after the wild spaces and the beaches and encourage the therapeutic benefits of gardening. NBiB works closely with East Lothian Council's gardening team all year round. We will have examples of some of our brochures and leaflets on our stand.

Royal Horticultural Society – Scotland

Come and find out how the RHS Outreach team supports gardening in communities through resources, courses and hands-on support.

Scottish Gardeners Forum

The Scottish Gardeners' Forum represents and supports a large network of gardening clubs all over the country. Useful services such as liability insurance, a show database and list of speakers are available to members. Our informative newsletter is issued 3 times per year and the annual forum, with interesting horticultural speakers, is moved around different locations to give widespread access. The SGF also organises the ever-popular Pallet & Planter competition each year at Gardening Scotland.
