

## Local Authority Clean Up contacts

Once you have set the date for your Clean Up and know roughly how many volunteers you are expecting, please contact your local authority using the contact details below to inform them of your event and to take advantage of any additional support on offer. This could include the disposal of waste collected, the loan of litter-picking equipment (such as litter pickers, gloves and black bags), staff support and help publicising your Clean Up. You can find the details of the person, or department, within your local authority to contact below.

If you find that one of these contacts is out of date, please inform us on [cleanup@keepsotlandlandbeautiful.org](mailto:cleanup@keepsotlandlandbeautiful.org) or 01786 468249.
