

The Incredible Postman

Lightning Leo went out to do his morning deliveries as he did every day. However, he has to be extra careful during the pandemic.

As he arrived at No 1 Pizza Crust Lane a dog opened the door and chased him down the garden path.

Luckily, he escaped just in time over the garden gate.

Further down the street at no 17 Pizza Crust Lane, just as Leo was about to post the letters through the door, he heard a.....

He peeked through the window and saw Maleficent scaring an old Lady.

He sneaked around the back of the house put on his disposable gloves and his mask and tried the back door, it was open, so he quietly crept inside.

He fearlessly made his way to the Livingroom where he saw Maleficent. He is in a dilemma, what do I do next?

He empties his letter sack.

Puts it over ~~Maleficent's~~ head and

Clunks her with a rolling pin!

arming is an essential task,
ll planting and feeding is a lot to ask.
unning around under a golden sun,
oming by morning there's work to be done.
eather proofing hay and animals too,
r fertilizing and harvesting crops for you.
est for a minute, then start again,
eeping food for everyone, women and men.
very day, it's all getting planted,
emember, don't take it for granted!
