

Our 2021 Beautiful Scotland and It's Your Neighbourhood Seminar and Celebration is now available for you to watch and be inspired!

On Thursday 11 November 2021, our annual [Beautiful Scotland](#) and [It's Your Neighbourhood](#) Seminar and Celebration was held online.

Although we really missed seeing all of our groups in person, we were still treated to inspiring case studies and updates from across Scotland, and held our virtual award celebration, recognising over 200 of our wonderful groups.
