weather

I can help the environment at home and at school.

help environment

I can measure our weather.

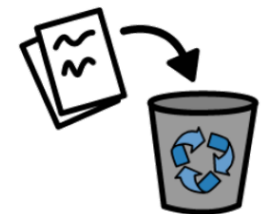

I can see our usual weather is changing.

climate change

Some waste makes pollution.

I can make sure rubbish goes in the right bin.

recycle

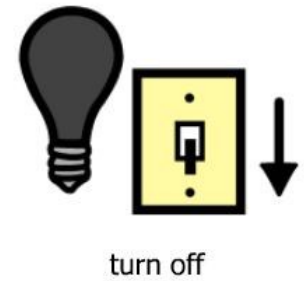

The weather is changing all over the world.

This is called climate change.

Wasting electricity can make pollution.

I can turn things off when I don't need them.

Air pollution causes climate change.

Pollution makes the earth warmer, like a greenhouse.

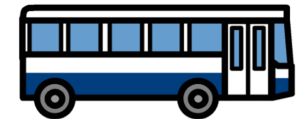

flood

wildfire

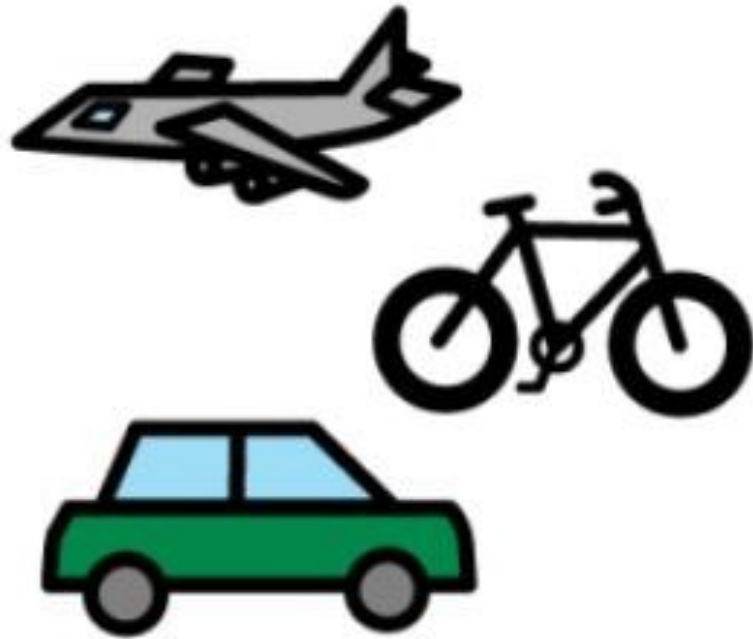

Some vehicles make pollution.

I can take the bus or bike instead of the car sometimes.

bus

travel

Climate change can hurt places  
I care about.

But I can help.

school

home

There are things I can do at home and at school.
