Our logo

Master logo
The glowing saltire represents the optimism and ambition Keep Scotland Beautiful embodies toward a clean, green and sustainable Scotland.

Our logo looks best with white space around it. Allow the height of the K around the logo.

No text, partner logos, or other page marks should creep into this space.

Logo should always be shown in full colour on a white background.

Minimum sizing
Don’t use the logo at a size any smaller than the minimum size for print or digital.

The minimum size ensures that we meet accessibility requirements across print and digital.
