Support for Pupils: all sessions on a Monday at 13:30

These sessions are intended for a class or Eco-Committee to attend while accompanied by an educator. Register your free place on our website: www.keepscotlandbeautiful.org/ecoschools/training

Turning Thoughts into Actions: Part 1
An introduction to your Eco-Schools work and the different things you will cover, with special attention on how to carry out your Environmental Review.

Turning Thoughts into Actions: Part 2
How to put together your Action Plan, including what to Measure and Monitor to make sure your work is on the right track.

Eco-Committee Meet & Greet
Learn about Eco-Schools work and experience directly from Eco-Committees and pupils, with a chance to ask questions and meet a variety of schools and Eco groups.

Special Workshops
Get some ideas for how to carry out different aspects of your Eco-Schools work.

Training for Educators: twilight sessions at 16:00

Register your free place on our website: www.keepscotlandbeautiful.org/ecoschools/training

Eco-Schools Basics: Processes & Tasks
An introduction to the Eco-Schools Scotland programme and how to apply for a Green Flag Award using the online portal.

Eco-Schools Basics: Action Plans & Measuring
How to put together your Action Plan, looking at the importance of your aims and including what to Measure and Monitor to make sure your work is on the right track.

Eco-Schools Core Topic: Climate Action
Ideas on how to tackle our NEW core Eco-Schools Topic Climate Action and what your school or nursery can do.

Eco-Schools Topic: Litter & Waste
Ideas on how to tackle the Litter & Waste Topic and what your school or nursery can do.

Context Specific Q&A
Informal Q&A sessions specifically for your setting. An opportunity to have your questions answered and to meet other educators working in similar settings as yours.

Take Eco-Schools Further: Pocket Garden
Learn about this fabulous annual competition and how to bring it into your setting. Pocket Garden is a fantastic opportunity for pupils to put in action their ideas, imagination and skills in designing and creating a miniature garden. (What is Pocket Garden?)

Take Eco-Schools Further: Young Reporters for the Environment
Give committed pupils the opportunity to have their voice heard on environmental issues that matter to them. Young Reporters is a natural extension to Eco-Schools for individual pupils to write a report, take a photograph or make a video reporting on the environment. (What is Young Reporters?)

Take Eco-Schools Further: One Planet Picnic
One Planet Picnic can be part of your transition work or an end of term celebration. It is a great way to use and celebrate your harvests at the start of the new academic year. (What is One Planet Picnic?)

New Education Programme: LEAP
Learning about Forests is a learning programme that advocates outdoor learning and hands-on experiences, for pupils to gain a deeper and understanding of the natural world. (What is LEAP?)

Biodiversity COP26 Twilight
A twilight all about Biodiversity ahead of the COP15 UN conference in Montreal and our Live Lesson.

Climate Education: Teaching for Justice, Hope & Action in Your Classroom
In partnership with Scotland’s DECs. Designed to equip you with knowledge, teaching strategies and practical activities which will support learners to better understand the causes and consequences of climate change, end empower them to take positive action for change. Two-part session. Part 1, September 21st. Part 2, October 5th. Please register for this special session here.

Live Lessons
Our way of supporting you on Climate Education, Learning for Sustainability and your Eco-Schools work. Lessons will be accompanied by classroom activities and teaching notes, and will be recorded so you can watch them again. We are grateful for the continued support of RZSS and Scottish Book Trust in making these lessons happen.

Please register in advance for each session to receive resources and the link to join the session. Register your free place on our website: www.keepscotlandbeautiful.org/ecoschools/livelnons
