

LEAF Reading List

How to use this list

This list contains a selection of fiction and non-fiction texts that relate to the natural world and forest-based ecosystems. Further recommendations and resources can be found on [Scottish Book Trust's website](#). Texts are listed by language and reading age (for guidance only).

To go further with this reading list, allow pupils to ask questions when reading / listening to the texts, and hold a discussion afterwards. The following questions could be used as starting points for discussion:

- Did you enjoy the text? What did you enjoy / not enjoy about it?
- Did you learn anything new from the text?
- Are there any new words in the text that you didn't know before? What do they mean?
- Which animals and plants appeared in the text? What did you learn about them?
- Do you think we need to protect the animals and plants mentioned in the text?
- Would you like to visit any of the places / natural environments mentioned in the text? Why do you want to visit them?
- Fiction
 - Who were the main characters in the story?
 - What happened in the story?
- Non-fiction
 - What were the main points from the text?
 - What in the text was fact and what was opinion? How can you tell which is which?
