

RME 0-02a, 0-05a, 0-09a Taking part in the [Forest Committee](#); learning to cooperate with others and care about nature. [Action Planning](#): dividing actions up fairly.
RERC 0-01a Spending time connecting with nature, experiencing wonder and awe of nature.

SCN 0-01a Learn about [food chains](#) and how animals are all interlinked.

SCN 0-03a [Biodiversity planting](#) or [Tree planting](#).

SCN 0-05a, 0-15a Try the [water tarpaulin](#) activity, seeing how water moves through the landscape.

SCN 0-06a Spend time outside lying down, observing the sky. Look at the position of the sun in the sky at different times of the year and relate this to the seasons and what animals and plants are doing.

SCN 0-07a Play with natural objects found outside and see how forces act on them, such as blowing on a leaf, pushing a stone down a slope.

SCN 0-11a, 0-15a Try [Music from Forests](#) to inspire you to create your own sounds from natural items.

SCN 0-12a When outside, in a natural area, play 5-4-3-2-1: try to find 5 things you can see, 4 things you can touch, 3 things you can hear, 2 things you can smell and 1 thing you can taste.

MNU 0-01a-03a, 0-20a-c Complete a biodiversity survey, counting different types and numbers of animals and plants.
MNU 0-10a Record changes in seasons linked to nature, such as first leaves opening / first bee seen in spring, first leaves falling in autumn.
MNU 0-11a Use everyday objects to compare sizes of plants or trees.
MNU 0-13a, 0-19a Look for symmetrical patterns in nature, such as flower petals. Copy the pattern, then create your own.
MNU 0-17a Make a game in an outside space with a path to a destination and describe how to get there.

LIT 0-01a-c, 0-04a, 0-07a, 0-11a-b, 0-13-14a, 0-16a, 0-19a, ENG 0-12a, 0-17a, LGL 0-01a, 0-05a, 0-07-08a, 0-11-13a, GAI 0-12a, 0-17a Select English or Gaelic texts from our [LEAF reading list](#) to read with children with discussion afterwards.
LIT 0-09a-b, 0-10a-11a-b, 0-20a, 0-31a, LGL 0-11a-13a Discuss one of the stories from the [LEAF reading list](#) and invite children to make up their own story about a forest or natural place.

EXA 0-01a Hold an assembly on a LEAF topic ([Inform and Involve](#))
EXA 0-02a-05a, 0-07a Use natural materials to make natural art such as [Land Art](#), then talk about what you think about each other's natural art.
EXA 0-01a, 0-08a-11a Create a dance routine in local greenspace using natural surroundings as your inspiration, perform the routine then review your and each other's routines.
EXA 0-01a, 0-12a-15a Create a story based in a forest environment, act it out then reflect on your performances.
EXA 0-01a, 0-16a-19a Use [Music from Forests](#) to get inspired, create your own music from natural items, record and share your music then reflect on your performances.

TCH 0-01a-02a Using digital tools to identify species for biodiversity surveys or other nature identification activities.
TCH 0-04a Find out what food comes from forests then cook and eat some.
TCH 0-06a Find out which products that you use come from forests (you could try [what wood I see](#)) then try to reduce, reuse and recycle these products.
TCH 0-10a-11a Use natural materials for creating pictures / models / concepts and represent ideas in imaginative ways.

SOC 0-01a-02a, 0-07a, 0-09a, 0-15a-16a Get to know your local area, including talking to local people about your area in the past and their roles in the community and draw your local area.
SOC 0-04a Find out how early societies lived in forests and use imaginative play to learn about how they lived.
SOC 0-08a Taking in part in any LEAF activity that involves connecting with nature or actively caring for the natural world.
SOC 0-12a Record weather whilst outdoors and compare what the weather is like in different seasons.
SOC 0-17a-18a [Action Planning](#) for LEAF.

HWB 0-09a-10a Discuss if everyone should get time outside and contact with nature. Discuss who may not have equal access to these and why. What could you do about this?
HWB 0-11a-14a Taking part in [Forest Committee](#) and associated activities.
HWB 0-15a-18a Discuss the risks and benefits of being outdoors.
HWB 0-20a Learn about careers associated with forests.
HWB 0-21a-24a Make up an active game using natural materials found in forests. Play the game and talk about how it went after.
HWB 0-25a Sports and other physical activity taking place outside.
HWB 0-29a-35a Find out what food comes from forests then cook and eat some.
